

Theatre Consultants Collaborative

ACL Moody Theatre Austin, Texas

Austin City Limits Live at the Moody Theatre is a state-of-the-art live music venue that doubles as the new home of KLRU-TV's acclaimed Austin City Limits music series. The primary goal was to make this venue feel as much like ACL's old Studio 6A as possible thus the main floor mimics the proportions and the

audience has the same proximity to the stage. Flexible staging and adjustable seating offers a variable capacity between 300 and 2,700 patrons on three levels with no seat further than 80-feet from the stage.

SERVICES

Theatre planning, auditorium design, and theatre equipment design and specification, i.e. performance lighting, rigging, drapery, and platform systems
