

Bullis School: Boarman Discovery Center Potomac, Maryland

The Discovery Center is the new heart of the Bullis campus, enhancing learning, creativity and exploration for students while allowing the School to maintain small classes and expand classroom space on campus by

almost 50 percent. The center includes a versatile, multi-purpose studio theatre with telescopic seating for 270. The seating can be retracted to provide a flat floor environment for conferences or banquets.

SERVICES

Program verification, theatre planning, auditorium design, and theatre equipment design and specification, i.e. performance lighting, tension wire grid, performance and acoustic drapery, and seating systems
