

Theatre Consultants Collaborative

VCU Institute for Contemporary Art Richmond, Virginia

The ICA at Virginia Commonwealth University is poised to become a cultural linchpin for the city of Richmond. Part exhibition and performance space, part lab and incubator, this new facility features a series of flexible programming spaces for the presentation of visual art, theatre, music, dance and film

SERVICES

Auditorium design, and theatre equipment design and specification, i.e. performance lighting, pipe grid, performance and acoustical drapery, seating, and sound, video and communications systems

for both on-campus and public audiences. The ICA includes a 247-seat performance space with raked seating, a sprung floor, and excellent acoustics. The theatre's rear stage wall opens to enable the loading dock to double function as a deeper back stage.
