Based in the Washington Metropolitan Area, Wes Calkin is a creative professional with 10 years of experience in performing arts venue design and 15 years in theatrical production. He joined TCC in 2023 following seven years as a consultant at DLR Group | Westlake Reed Leskosky in Cleveland, where he specified theatrical systems, architectural lighting, and lighting controls for theatres, museums, schools, and places of worship across the country. Prior to that, he was a Project Manager for Visions in Light in Cincinnati.

In addition to his work as a theatre consultant, Wes has designed lighting and scenery for regional theatre companies throughout the Southeast and Midwest. He is especially drawn to world premiere plays and experimental productions. Favorite collaborators include the Cleveland Public Theatre and Dobama Theatre in Cleveland, OH and Playhouse in the Square in Memphis, TN. He has held positions as Resident Lighting Designer at Wayside Theatre in Middletown, VA and as Lighting Director at Shawnee Summer Theatre in Bloomfield, IN.
